

Career Profile

Barista

Overview

Baristas prepare and serve coffee and other beverages in cafés, restaurants, and hotels. They also maintain equipment, handle customer orders, and ensure cleanliness.

Requirements

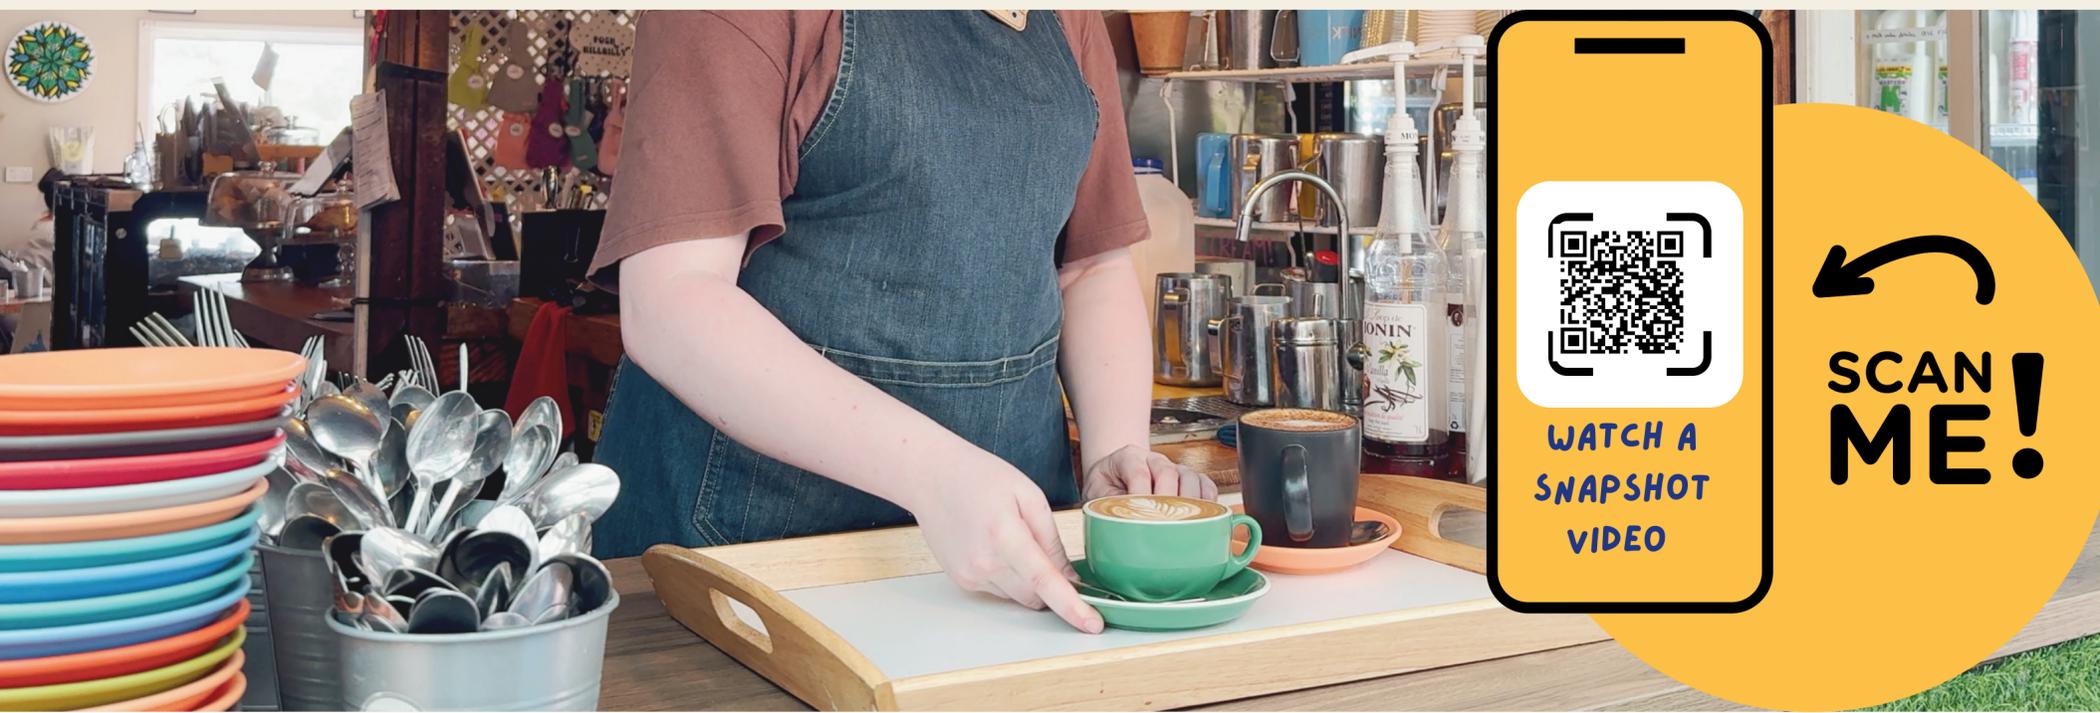

- A good memory for drink orders
- Attention to detail
- Strong customer service
- Ability to work quickly and efficiently
- Able to start work early
- Ability to multitask

Training

While formal qualifications aren't required, short courses in coffee making, Food Hygiene certificate and customer service can be helpful. On-the-job training is common.

Opportunities

Baristas can work in cafés, restaurants, and hotels, with potential to advance into café management or even start their own coffee business.
