

Career Profile

Concierge

Overview

Concierges assist hotel guests by providing information, making bookings, and arranging services like transport or entertainment. They help create a positive guest experience.

Requirments

Good communication, problem-solving skills, and a helpful attitude are essential. Knowledge of local attractions and services is beneficial.

Training

A Certificate III or IV in Hospitality can be useful, but many concierges receive on-the-job training.

Opporunities

Concierges work in hotels, resorts, and luxury apartment buildings, with career paths leading to guest relations or hotel management.
