

Career Profile

Valet

Overview

A valet parks and retrieves guests' vehicles at hotels, restaurants, and event venues while providing excellent customer service whilst being the face of the hotel.

Requirments

Strong driving skills, a valid driver's license, good communication, and attention to detail are essential. Ability to lift and have excellent communication skills are also required.

Training

On-the-job training is typical, with some employers requiring customer service or hospitality training.

Opporunities

Valets can advance into concierge roles, front desk positions, or hotel management.
