

CAREER PROFILE

Housekeeper

Overview

A housekeeper cleans and prepares guest rooms and accommodation areas, helping to ensure they are clean, comfortable, safe and ready for guests.

Requirements

- Attention to detail
- Good time management
- Ability to work independently
- Ability to follow instructions
- Good hygiene practices
- Ability to work on your feet

Training

No formal qualification is usually required to start. Employers generally provide training in cleaning procedures, hygiene, workplace safety and hotel standards. A **Certificate III in Hospitality** can provide broader hospitality and housekeeping skills.
