

CAREER PROFILE

Maintenance

Overview

A maintenance team member helps keep buildings, equipment, rooms, and facilities safe, clean, and in good working order across hotels, resorts, and other hospitality venues.

Requirements

- Good communication
- Attention to detail
- Ability to use basic tools
- Problem-solving skills
- Ability to follow instructions
- Ability to work safely

Training

Training requirements depend on the type of maintenance work. General maintenance roles may provide on-the-job training, while trade work may require a relevant **Certificate III trade qualification** and apprenticeship. Additional licences or tickets may be required for specific equipment or tasks.
